About Goa

Goa is a state on the western coast of India, within the region known as the Konkan. It is bounded by Maharashtra to the north and Karnataka to the east and south, with the Arabian Sea forming its western coast. The state of Goa, in India, is famous for its beaches and places of worship, and tourism is its primary industry. Influenced by over 450 years of Portuguese rule and Latin culture, Goa presents a somewhat different representation of the country to foreign visitors. Major tourist attractions include: Bom Jesus Basilica, Fort Aguada, a wax museum on Indian culture and a heritage museum. The Churches and Convents of Goa have been declared a World Heritage Site by UNESCO.
