ABOUT COLLEGE

Shri. M. D. Shah Mahila College is an evolving institution offering women's education to the largest number of girl students in the entire western suburbs of Mumbai from last 50 years. It is affiliated to SNDT Women's University and patronized by the Janseva Samiti. The College is conveniently located at Malad (West) on B. J. Patel Road which is at a walkable distance from the closest station 'Malad' on the Western Railways. The college offers courses in the faculties of Arts and Commerce with various discipline components. Besides, it also runs several professional courses like BMS, BCA, BMM & BAFI and Certificate Courses in Interior Designing, Fashion Designing, etc. Established in 1968, the college today offers Post-graduation Degrees in Economics, Hindi and History as well as M. Com. The Management is thus oriented towards making higher education accessible to the girl-child irrespective of any prevalent social or economic problems. The institution is pro-actively engaged in curtailing several limitations that a girl child faces in contemporary society in her attempts to educate herself.

ABOUT THE CONFERENCE

Today there is unprecedented focus on creative and critical thinking. Teacher's correct perception of teaching methods has an important role in developing student's interest in learning. Use of eclectic teaching methods to enhance the overall teaching-learning experience is beneficial. The technological advancement supports this cause. The love for teaching, creative bent of mind and knowledge of techniques of teaching is essential to address the needs of a 21st century student.

To address the changing structure of a modern classroom, the college is organising a One day International Conference on "Future Ready Education: Developing Critical Thinking amongst Students". The conference is expected to provide insight on the possibilities of enhancing education using innovative methods of teaching.

OBJECTIVES

- ✍ To invite professional and expert opinions on possible methods of enhancing critical thinking
- ✍ To look for ways to rejuvenate a traditional classroom
